

Claim for Compensation for Dependants of Deceased Members and Former Members

Military Rehabilitation and Compensation Act 2004 (MRCA)

Who should complete this form

This form should be completed by or on behalf of dependants of a member or former member of the Australian Defence Force who had service on or after 1 July 2004 and:

- whose death is being claimed as related to that service; or
- who was entitled to maximum permanent impairment compensation under the MRCA immediately before his or her death; or
- who met the criteria for a Special Rate Disability Pension during some point in his or her life.

It should also be completed by deceased's LPR to claim funeral benefits.

Definition of dependant

A person who was, immediately before the death, in one of the following relationships with the deceased:

- spouse;
- either a same-sex or opposite-sex relationship with another person which is registered under a prescribed law of a State or Territory. For a list of those laws, please contact the Department of Veterans' Affairs;
- either a same-sex or opposite-sex de facto relationship with the deceased that was not registered;
- parent, step-parent, father-in-law, mother-in-law, grandfather, grandmother, son, daughter, step-son, step-daughter, grandson, granddaughter, brother, sister, half-brother or half-sister of the deceased. These terms apply equally to heterosexual and same-sex relationships.

For example:

- the parents of the partner of a person in a same-sex relationship are included in the term 'father-in-law' and 'mother-in-law'; and
- the son or daughter of the partner of a person in a same-sex relationship are also included in the term 'son' or 'daughter' of the person;
- where the deceased was a member of the Aboriginal race of Australia or a descendant of indigenous inhabitants of the Torres Strait Islands - a person who is or was recognised as the deceased's husband or wife by the custom prevailing in the tribe or group to which the deceased belonged;
- a person in relation to whom the deceased stood in the position of a parent or who stood in the position of a parent to the deceased.

AND

who was

- wholly or partly dependent for economic support on the deceased at the date of the deceased's death; or
- would have been wholly or partly dependent on the deceased but for an incapacity resulting from a defence-related injury or disease.

A partner or an eligible young person (under 16 or between 16 and 25 and in full-time education and not full-time work) in one of the above-listed relationships with the deceased is automatically taken to have been wholly dependent for economic support on the deceased at the date of death if they:

- were, immediately before the death, living with the deceased; or
- would have been living with the deceased but for:
 - a temporary absence of the partner, child or the deceased; or
 - an absence of the partner, child or the deceased due to illness or infirmity.

This form asks about

- the dependant(s) personal details.
- details of the deceased member.
