US98***	Report or service specifically requested by DVA	Fee specified at time of	Taxable

**NOTES**

**++ Recognised Professional**

Paragraph 38-10(1)(b) of the GST Act states that only a 'recognised professional' can supply GST-free health services as listed in section 38-10. Please refer to section 195-1 of the GST Act for the definition of 'recognised professional' for GST purposes.

\*Prior financial authorisation from DVA is required for services provided in a public hospital or in a residential aged care facility (high care).

\*\*After 8 sessions of trauma focussed therapy a Case Review (US17) must be provided to DVA and prior financial authorisation sought for any further treatments. **To obtain prior financial authorisation, please contact the DVA office for your state or territory using the contact details at the end of the Fee Schedule.**

**\*\*\* Report or service specifically requested by DVA**

Use item number US98 only when DVA contacts you directly to request that you provide:

- a written report other than a case review (Item US17); or
- a consultation to an eligible veteran or war widow/widower, either separately or in conjunction with a written report.

For example, this may occur when DVA requires a second opinion concerning treatment for a veteran. DVA will give financial authorisation and advise the fee at the time of the request, according to the above schedule items. The kilometre allowance is included in the fee, and is **not** to be claimed in addition to the fee.

## Kilometre Allowance

A kilometre allowance can be paid when you travel from your usual place of business to visit an eligible veteran to provide an assessment or treatment in their home, residential aged care facility or hospital. The kilometre allowance is not payable for the first 10 kilometres of each journey. The allowance is claimed by writing the entire distance travelled on the service voucher or in the KM field for online claiming.
