White Card Holders	404	47.86
Treatment Population	816	66.99
(Percentage of DVA clients holding a treatment card)	72.3%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

VEA Pensioner Population	1,638	72.22
<hr/>		
Gold Card Holders	1,069	73.26
Veterans	735	68.06
Dependants	334	84.71
White Card Holders	3,252	48.02
Treatment Population	4,321	54.26
(Percentage of DVA clients holding a treatment card)	90.1%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

White Card Holders	1,649	51.67
Treatment Population	3,220	62.28
(Percentage of DVA clients holding a treatment card)	82.1%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Treatment Population	2,132	63.51
(Percentage of DVA clients holding a treatment card)	81.5%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	79.5%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	81.0%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Veterans	246	74.43
Dependants	229	86.03
White Card Holders	631	50.87
Treatment Population	1,106	63.39
(Percentage of DVA clients holding a treatment card)	77.5%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.
