White Card Holders	413	48.00
Treatment Population	813	66.45
(Percentage of DVA clients holding a treatment card)	72.9%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

<hr/>		
Gold Card Holders	1,056	73.12
Veterans	730	68.01
Dependants	326	84.56
White Card Holders	3,335	48.08
Treatment Population	4,391	54.10
(Percentage of DVA clients holding a treatment card)	90.3%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

White Card Holders	1,715	51.78
Treatment Population	3,279	62.01
(Percentage of DVA clients holding a treatment card)	82.5%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Treatment Population	2,142	63.17
(Percentage of DVA clients holding a treatment card)	81.8%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

(Percentage of DVA clients holding a treatment card)	81.3%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.

VEA Pensioner Population	739	77.21
<hr/>		
Gold Card Holders	470	79.59
Veterans	246	73.83
Dependants	224	85.92
White Card Holders	646	50.85
Treatment Population	1,116	62.96
(Percentage of DVA clients holding a treatment card)	78.4%	

Notes:

(1) Electorate boundaries used are those in effect for the May 2022 federal election.

(2) 'Net Total DVA Veterans' consists of any current or former serving member who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This figure may include eligible civilians and allied veterans. Veterans eligible under multiple Acts are counted under each so components may not sum to the total.

(3) 'Total DVA Dependants' consists of any partner, widow/er or child of a former serving member who receives an ongoing pension or allowance paid by DVA (including education allowances) or has a current treatment or concession card issued by DVA.

(4) 'Net Total DVA Clients' consists of any person who has one or more accepted service related conditions; receives an ongoing pension or allowance paid by DVA or has a current treatment, pharmaceutical or concession card issued by DVA. This may not equate to the sum of 'Net Total Veterans' and 'Total Dependants' as some persons are eligible as both.
