Western Australian Garden of Remembrance (GRM) and Dutch Annex – Temporary Commemorative Space

The Office of Australian War Graves (OAWG) has established a temporary commemorative space near the Western Australian Garden of Remembrance and Dutch Annex, allowing families, veterans and community members to pause, reflect and pay their respects while the Garden is closed for redevelopment.

In response to community feedback, the temporary space maintains a commemorative connection to the site during redevelopment. Visitors can use the area for quiet reflection and place wreaths or poppies in honour of those commemorated at the Garden.

Images of individual plaques from the Western Australian GRM remain available through the Search for a commemoration function.

The temporary commemorative space is located adjacent to the main office in the **Perth War Cemetery.**

The temporary commemorative space is accessible during the cemetery's standard opening hours.

OAWG acknowledges the significance of the Western Australian GRM and Dutch Annex to families and the wider community and appreciates the community's patience and understanding while these necessary works are undertaken.

Further project updates will be published on the Department of Veterans' Affairs website. For further information, contact OAWG at OAWGEngagement@dva.gov.au or 1800 VETERAN (1800 838 732).
