who has?

DVA provides Veteran Health Checks for all former-serving Australian Defence Force (ADF) members.

Veteran Health Checks are an opportunity for veterans to access a comprehensive health check with a General Practitioner (GP).

Early intervention and targeted referrals can help you enjoy better health outcomes and manage your health during transition to civilian life.

Depending on when you left the Australian Defence Force (ADF), you may be eligible for one or more Veteran Health Checks:

- All former ADF members are eligible to access the One-off Veteran Health Check with a GP.

- If you left the ADF from 1 July 2019, you are also eligible for an Annual Veteran Health Check every year for the first five years after you transition.
