

Australian Government

✓ Veteran Health Check

Fully-funded Veteran Health Checks now available through GPs

These checks enable GPs to support veterans' physical and mental health outcomes after they move to civilian life, through early intervention and targeted referrals

Available to all former-serving Australian Defence Force (ADF) members

The Annual Veteran Health Check can be claimed under **DVA item numbers** MT701–MT707. ✓

Access the Veteran Health Check Assessment Tool and find out more at
