D9304 — TERTIARY EDUCATION APPROVAL CHECKLIST

Removal from website

Due to a change in operational process, the D9304 Tertiary Education Approval Checklist is no longer in use and has been removed from the DVA website.

The new [D9303 - Vocational Education and Training Application](#) form consolidates the old Tertiary Agreement (formerly D9303) and Tertiary Education Approval Checklist (formerly D9304) into a single form.

New vocational education and training process

The DVA Rehabilitation Program Section has produced a new [Education and Training Guideline](#) for Rehabilitation Providers submitting applications on behalf of their clients for education and training. This guideline encompasses both vocational and non-vocational education and training requests.

Please refer to this guideline for assistance in submitting Educational and Training applications using the [new D9303 form](#).
