Section 2

This section should be completed if your smoking habit changed over time. The Department needs to understand what the smoking pattern was like, so that it can determine how much you smoked in total.

The following table should be completed for each time a major change in smoking happened. For instance, any stop/start periods or changes to consumption by a large amount.

If you stopped smoking for any period in excess of 3 months, please show the new amount smoked as 'Nil'.

Please attach a separate sheet of paper if there is not enough room below to show all the changes in your smoking history.
