

N ● Audio guide stops

Walk 1: Short walk – Interpretive Centre to the Memorial Obelisk in Konyu Cutting

Walk 2: Long walk – Interpretive Centre to Hintok Road

Walk 2: Interpretive Centre to Hintok Road

Centre staff will provide those visitors undertaking the longer walk with a two-way radio for safety purposes. Please do not undertake this walk without the radio.

Centre staff can assist you with an audio guide that allows you to better understand the construction of the railway and the experience of those who worked on it.

Timing: Allow up to 3 hours for the return journey.

Fitness: You should have a high level of fitness.

Preparation: Please take water for a return journey, wear sturdy covered shoes and take care. Apply insect repellent as required.

Radio required for Walk 2.

Warning: Please note that there is very little shelter and that the route along the walk to Hintok Road includes steep climbs and descents - even where steps have been constructed. Uneven ground and running water during the wet season may also present a hazard.
