Department of Veterans’ Affairs

2019 Client Satisfaction Survey

FINAL June 2019
Introduction

Good morning/afternoon/evening. My name is [NAME] and I am calling from ORIMA Research on behalf of the Department of Veterans’ Affairs (DVA). May I please speak to [NAMED RESPONDENT]

IF CARER: We would like to speak to you on behalf of [CLIENT]

If named respondent not available make a call back at a suitable time. Once speaking to named respondent continue:

Background and purpose of this survey

You should have recently received a letter from DVA regarding the client satisfaction survey, which seeks your feedback on your experiences interacting with DVA. The results of this survey will be used by DVA to guide future directions and improve communication and information available to the veteran community.

The survey will take around 15 minutes to complete, depending on your answers.

Must read out: Your answers will be completely confidential and any personal details, which may identify you in any way, will not be passed to the Department of Veterans’ Affairs. Your answers will not in any way affect any pension, benefits or health services, which you are entitled to from DVA, or to which you may become entitled in the future. If you wish, you can discontinue your participation in this study at any time.

Are you willing to participate in the survey?

1  Yes, can do it now [Proceed with survey]
2  Yes, can do it later [Schedule appointment]
3  No [Thank and end]

Thank you. While we’d prefer that you answer all questions, if there is anything you don’t want to answer, that’s fine, just let me know.

Our call may be monitored by my supervisor for quality assurance purposes.

1  Okay to monitor
2  Do not monitor

Additional information (if asked)

Who is conducting the survey?

DVA has engaged ORIMA Research as independent social research company to conduct this survey on its behalf.
What is the survey about?

This survey seeks your feedback about communication and access to information you have experienced during your interactions with DVA, or its representatives/agents. This includes DVA arrangements with other government departments for the provision of services to the veteran community in some regional areas.

How did you obtain my number?

As per the invitation letter sent to you by DVA in May, you have been selected as part of the randomised sample of DVA clients, to participate in the 2019 Client Satisfaction Survey. As you did not actively opt-out, your telephone number was provided by DVA so that we could contact you and learn more about your experience accessing services and support through DVA.

How long will the survey take?

This survey should take around 15 minutes to complete, depending on what comments you include when invited to provide additional information.

Is the research confidential?

We will not disclose any identifiable information for a purpose other than conducting our research unless we have your express prior consent or are required to do so by an Australian law.

Our Privacy Policy is available at www.orima.com and contains further details regarding how you can access or correct information we hold about you, how you can make a privacy related complaint and how that complaint will be dealt with. Should you have any questions about our privacy policy or how we will treat your information, you may contact our Privacy Officer, <<redacted>> (on <<redacted>>).

What will the survey results be used for?

The Client Satisfaction Survey collects information about your experiences accessing services and support provided by DVA. The Department uses the information to help identify pain points clients are experiencing, and prioritise improvements as part of their ongoing transformation.

Who do I talk to for further information?

If you have any questions about the survey, please contact <<redacted>> from ORIMA Research on <<redacted>>.

[If required for questions regarding the credentials of the survey] In the lead up to the survey, you would have received a letter advising you of this survey. If you refer to that letter, you can see that DVA has referred to ORIMA as the organisation conducting the survey.
[If required] If you would like to further verify the details of ORIMA, you can do so by referring to the DVA website. It is: www.dva.gov.au/survey. You can refer to the heading titled ‘Who will conduct the survey?’ for some information about ORIMA.

[If required] If you would like to further verify the details of ORIMA, you can do so by emailing the dedicated mailbox for confirmation. The email is <<redacted>> (note: please emphasis the period between Client and Survey).

[If required—must attempt one of the previous options first] If you would like to speak to someone to verify the details of ORIMA, then you can call the DVA general enquiries line. The number is 1800 555 254.
